

A race to catch up

WITH glamorous Melbourne summoning the Cup Day attention to herself yesterday, Sydney was looking like rather like a pouty, neglected sibling. At The Ivy, society queen **Skye Leckie** mustered the best turnout of celebrities in Sydney for her Autore Melbourne Cup Lunch. *X Factor* judge **Ronan Keating** made an appearance and *Deal Or No Deal* host **Andrew O'Keefe** was MC.

The lunch raised funds for The Chris O'Brien Lifecare and guests including **Deborah**

Hutton and designer **Wayne Cooper**.

The mood was lighter at the Sofitel Sydney Wentworth for Variety's 25th anniversary fundraiser.

MCs **Sami Lukis** and **Glenn Wheeler** entertained, Wheeler stripping to his undies and offering his outrageous suit for auction.

But the best location on the day was the Park Hyatt's Harbourkitchen Restaurant, where exclusive jewellery boutique Bunda entertained clients at an elegant lunch.
