

## Audience engagement with live video

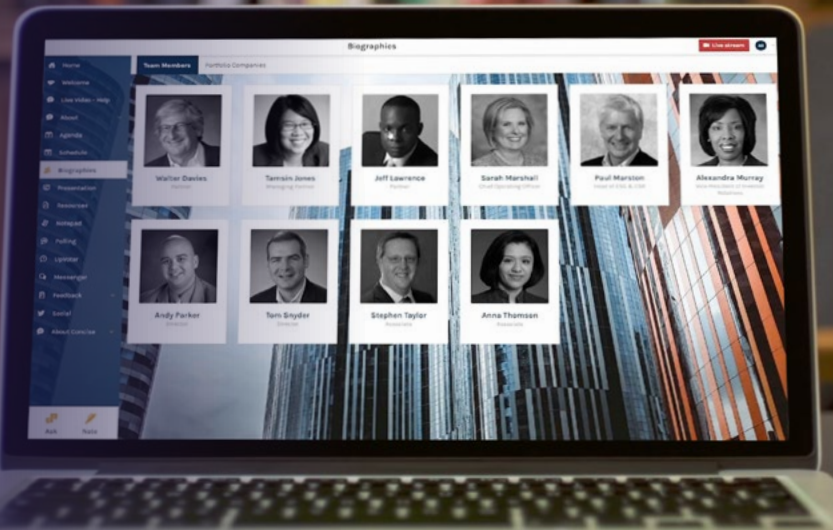

Chime Live can help overcome the challenge of bringing remote presenters and participants together for your event. At home, at work or at the venue, Chime Live connects everyone via live stream, enabling you to carry on with keynote presentations, topic streams and breakouts as planned.

Chime Live combines high quality video streaming in our award-winning Chime attendee platform to deliver engaging, transformative and insightful meetings.

The interactive features help overcome distractions and keep engagement levels high. Post-event, you can share recorded sessions for participants who missed or want to replay a session. Also, enjoy access to Chime Live's analytics to help you evaluate, improve and report on valuable results.

Connect remote presenters and participants with Chime Live. At home, at work or at the venue, Chime Live is a virtual events platform that uses live video streaming to broadcast keynote presentations, topic streams and breakouts as planned.
